

# Keeping the Campaign moving....

The Social Action Office has made a decision to closely monitor the impact both the Work Choices and Welfare to Work legislation will have on Australians.

The SAO is therefore inviting people to register with the SAO to be part of the monitoring – we want to know **HOW** the changes are impacting on people’s lives. The SAO staff will document this and follow-up with Federal Parliamentarians ... continue to lobby for justice and fairness.

The SAO therefore needs to hear people’s stories and guarantees to keep *confidential* any identifiable information in any story shared.

**Anyone** who is keen in following up on this may register – you may want to do it as an **employee** or as an **employer** ... or you may want to participate in the ongoing analysis of what is happening.

Please fill in and return to the SAO:

**EITHER POST to: SAO Project Officer, PO Box 8304 Woolloongabba Qld 4102**

**FAX to: (07) 3891 6944 or EMAIL to: [angela@sao.clriq.org.au](mailto:angela@sao.clriq.org.au)**

**THANKS!**
